supporting Raising Futures Kenya

📍 Redlibbets Golf Club, Kent

Sponsorship packages

We firmly believe in our social responsibility to the wider community.

That's why, over the last 18 years, we have supported Raising Futures Kenya – a charity that breaks the cycle of inequality and creates opportunities for vulnerable children and young people in Kenya.

Raising Futures Kenya

RFK is the charity working together with young people to create opportunities for rewarding futures.

Without these opportunities, one in five young people in Kenya face living in poverty; unable to reach their potential.

Your sponsorship can help provide:

£50

Financial Literacy & Business Skills training session for 30 young people to enable them to build a financially secure future for themselves and their family

£100

A toolbox full of tools and safety equipment for our Carpentry and Joinery or Motor Vehicle Mechanics graduates to borrow to help them set up their own small business, returned when they've made enough to buy their own tools ready for the next graduate
