

The Millennium Consulting 2026 Golf Day

supporting Raising Futures Kenya

📍 Ashford Golf Club, Kent

📅 Wednesday 17th June 2026

Sponsorship packages

We firmly believe in our social responsibility to the wider community.

That's why, over the last 20 years, we have supported Raising Futures Kenya – a charity that breaks the cycle of inequality and creates opportunities for vulnerable children and young people in Kenya.

RFK delivers vocational training to young Kenyans which enables them to live fulfilling lives. One in five young Kenyans live in severe poverty, unable to achieve their potential so the financial support we provide is invaluable.

Your sponsorship can help provide:

- £50** Financial Literacy & Business Skills training session for 30 young people to enable them to build a financially secure future for themselves and their family
- £100** A toolbox full of tools and safety equipment for our Carpentry and Joinery or Motor Vehicle Mechanics graduates to borrow to help them set up their own small business, returned when they've made enough to buy their own tools ready for the next graduate
- £233** A laptop to enable students to learn essential computer skills and to help them launch their businesses when they graduate
